

Malt The Brewery was founded in 2012 on some clear values including:

- Mutuality
- Respect
- Sustainability
- Community
- Integrity
- Authenticity

Maltsters' is the brewery club at Malt The Brewery in Prestwood. It exists for discerning local ale enthusiasts and foodies like us to enjoy sharing local ales with like minded people.

Through hard work and by listening to feedback from our members, we endeavour to make each Maltsters' event an enjoyable experience for members, guests, colleagues and stakeholders.

We rely on the goodwill of all Maltsters, our landlord and neighbours to be able to run enjoyable Maltsters' events at The Brewery in the future, so we ask you to share responsibility for living by the Malt values when you're at the Brewery.

We also ask you to share responsibility for your own safety and that of other fellow Maltsters. If you witness any behaviour that you feel is inappropriate or doesn't fit with our values, please let a member of the team know so that it can be dealt with.

Whilst in the brewery, we're subject to statutory licensing objectives. Any contravention of these objectives will result in immediate removal from the site, suspension and possible termination of your membership at the discretion of *Designated Site Supervisor*.

We'd welcome your suggestions on what would make a good addition to Maltsters' nights. Please drop us an email to maltsters@maltthebrewery.co.uk

Here's to another year of great Maltsters' Nights !

Cheers!

Nick Watson
Founder
